Education

VIT Bhopal University B. Tech in Computer Science and Engineering – 9.12 CGPA 12th Standard St. James' High School ISC Percentage: 92.5%	Bhopal, Madhya Pradesh Sep 22 – May 26
10th Standard St. James' High School ICSE Percentage: 96.6%	Binnaguri, West Bengal Jun 2022
	Binnaguri, West Bengal Jul 2020

Technical Skills

Python, JAVA, C++, HTML, CSS, SQL, Machine Learning, Natural Language Processing, Data Analysis, Deep Learning.

Certifications

- Data Analysis with Python (Cognitive Class) – Dec 2023
- Machine Learning with Python (Cognitive Class) – Dec 2023
- Data Visualization with Python (Cognitive Class) – Jan 2024
- SQL and Relational Databases 101(Cognitive Class) – Jan 2024

Projects

Laptop Price Predictor - LINK <ul style="list-style-type: none">• Created a Machine Learning model for prediction of laptop prices.• Collected historical laptop prices data, cleaned and preprocessed the data using pandas and sklearn libraries.• Visualized the dataset using matplotlib and seaborn libraries.• It is an individual project implemented using Python.	Feb 2025
Destination Recommendation - LINK <ul style="list-style-type: none">• Created a model for recommending destination using Natural Language Processing.• Collected historical destination data, cleaned and preprocessed the data using pandas and sklearn libraries.• It is an individual project implemented using Python.	Feb 2025
Gesture2Text - LINK <ul style="list-style-type: none">• Created an image processing approach for recognizing hand gestures and converting them into text.• Implemented using Convolutional Neural Network and Long Short-Term Memory models.• It was a 6- member group project.• Implementation of the Long Short-Term Memory model was done by me.	Mar 2024 - Jul 2024
Malaria Detector <ul style="list-style-type: none">• Created a model for detection of malaria.• Implemented using Convolutional Neural Network model for binary classification.• It is an individual project implemented completely using Python.	Apr 2024

Extracurricular

Arts

- Continued painting and sketching for 10 years.
- Participated and won in various art competitions organized by local Clubs and schools.

Dance

- Continued classical dance till 10 years in Odissi.
- Participated and won in various dance competition organized by Clubs across the city.

Achievements

- Hacker rank 3 – star in Java and 4 – star in Python.
- Solved 80+ LeetCode questions. ([Profile](#))
- Participation in Kaggle Competitions.

Additional

Languages: Hindi, Bengali, English
